2.4. Public Transport in Luxembourg

Luxembourg is a global pioneer in public transportation, being the first country to make all public transport completely free for residents and visitors alike. Since March 1, 2020, buses, trains, and trams across the country have operated without any fare requirements, aiming to reduce traffic congestion and promote environmentally friendly travel. This groundbreaking initiative reflects Luxembourg’s commitment to sustainability and improving quality of life, particularly in a country with high rates of car ownership and significant cross-border commuting. The move has garnered international attention as a model for accessible and equitable urban mobility.

The best arrival time is one hour before the referees' meeting, i.e. at 7:30 pm on Wednesday, 30 April 2025, as this will take place at 8:30 pm at the venue (Amphitheatre).

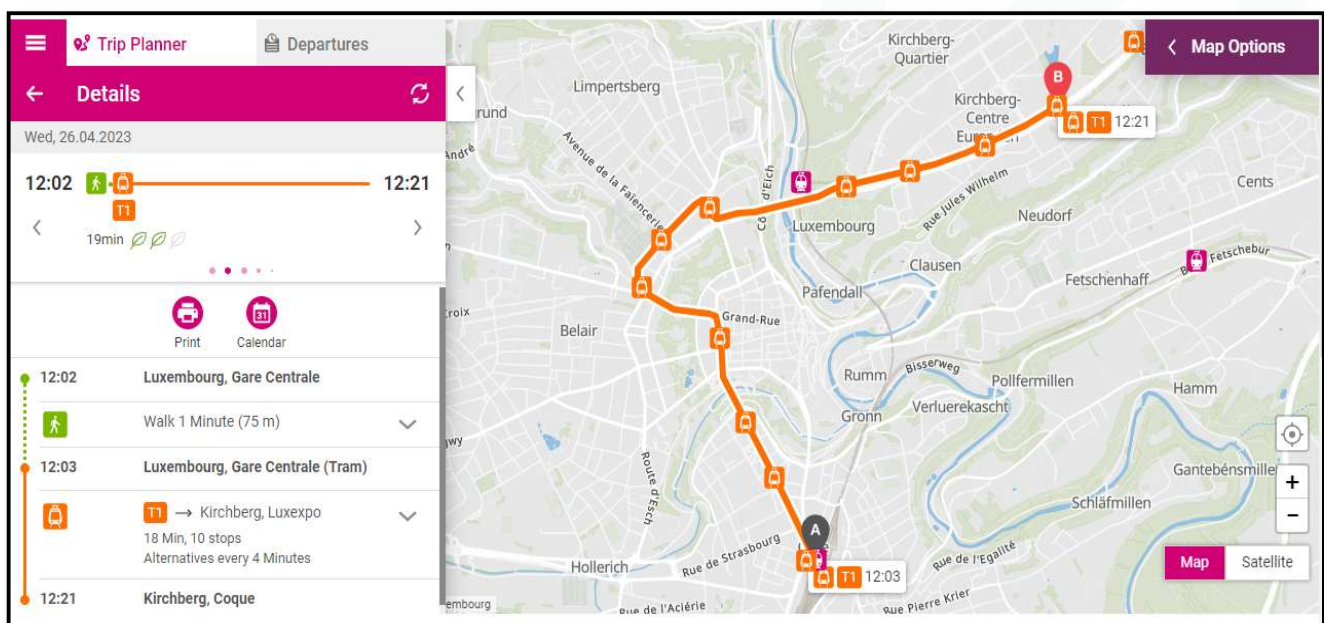

Umpires are expected to book flights to Luxembourg Airport (LUX) or by train to Luxembourg Central Railway Station.

From the airport to the venue

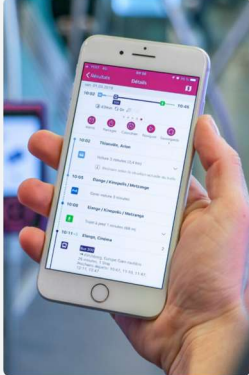

A free shuttle service will be offered from the airport. After registering for the tournament, further contact options will follow in the reply e-mails. Or via the Sportity app, see points 3.1.

From the Main train station to the venue

From the Central Railway Station (“Luxembourg, Gare Centrale”) you will take the tram (“T1”, direction “Kirchberg, Luxexpo”) until the Station “Kirchberg, Coque”. See photo below. In principle, public transport in Luxembourg can be used free of charge by everyone. See: <https://luxembourg.public.lu/en/living/mobility/public-transport.html>

As described above the public transport is free in Luxembourg. The journeys can be planned through <https://www.mobiliteit.lu/en/> or using the mobiliteit app, which you can download in the apple store or in google play.
