Dear Guests,

Thank you for your interest in Mama Shelter Luxembourg as a place to stay for your event.

It is in the heart of Kirchberg, the city's business and cultural center, that Mama Shelter offers travelers an ideal home away from home to discover this multi-cultural city. Here, Mama has created a bubble in time, where comfort and modernity mix, with an added mystical twist! Mama has thought of every detail in each of her 145 rooms: from the scintillating marble to the mirror, intentionally hung above the bed, where you can read "Mama loves you."

Mama has also given her all for the common areas, so that you can feel even better than at home! Sip on a cocktail around the huge pink marble bar, warm up around the fire in her immense restaurant and, above all, indulge in her delicious and homemade dishes. At the end of the day, relax in our deckchairs on the rooftop and enjoy the view.

For the first time, Mama Shelter welcomes a Mama Works in its building. Two floors entirely dedicated to meetings and events, complete with a Cinemama, meeting rooms, a coworking space and a bakery, await you and your team. The only thing Mama is missing now is you!

I do look forward to assisting you in making this important event inspired and memorable.
