## 7. TRANSPORT

### 7.1. Public Transport in Luxembourg

Luxembourg is a global pioneer in public transportation, being the first country to make all public transport completely free for residents and visitors alike. Since March 1, 2020, buses, trains, and trams across the country have operated without any fare requirements, aiming to reduce traffic congestion and promote environmentally friendly travel. This groundbreaking initiative reflects Luxembourg's commitment to sustainability and improving quality of life, particularly in a country with high rates of car ownership and significant cross-border commuting. The move has garnered international attention as a model for accessible and equitable urban mobility.

### 7.2. Transport Information

New development!

Following last year's trial period, the transport service will be placed in the hands of the public transport system from this year onwards. As it is available completely free of charge!

This decision is based on the advantages described in point 7.1 above, in particular the sustainability of the tournament and avoiding traffic.

With the completion of the tram line to the airport, the journey from there to the event hall will take only 14 minutes. From the main station, it will take 18 minutes, without any changes or traffic jams.

### 7.3. Plan a trip with the Public Transport

As described above the public transport is free in Luxembourg. The journeys can be planned through <https://www.mobiliteit.lu/en/> or using the mobiliteit app, which you can download in the apple store or in google play.

#### Our App

Public transport at your fingertips!

Our app integrates all modes of transport, including electromobility, the P+R offer and self-service bikes. With the app, you can easily combine bus, train, tram, car, bike, and walking, and create your own mobility chain that meets your personal needs.

#### 7.4. Book a Taxi

We have a partnership with the taxi company Webtaxi where you can book a taxi for a better price. The journey can easily be booked through the Webtaxi app. Please use the password “Yonex”.

**Download the app that will make your life easier!**  
Simply scan the QR code

Alternatively, you can travel one stop further to the tournament hotels (1 minute more) and get off at 'Kirchberg, Europaparlament/Parlement Européen'. See station plan on page 14, under point 7.6.

**From the main train station to the venue:**

From the Central Railway Station, you can use the tram from "Luxembourg, Gare Centrale" ("T1", direction "Kirchberg, Luxexpo / Findel – Luxembourg Airport") until the Station "Kirchberg, Coque". It will need 10 stops and 18 minutes. See station plan on page 14, under point 7.6.

**From the hotels Novotel and Mama Shelter on Kirchberg to the venue**

Participants in YLO26 can take the tram, which can be used free of charge.
